Board usually
meets:
2nd Saturday of the
month

Typically, we approve the annual budget at our April general membership meeting. Doing so allows the board to spend money to further the mission of the club during the fiscal year. Due to the postponement of the meeting, the board must act to allow the club to continue to function and pay its bills.

The board plans to meet in April and approve a temporary budget to allow spending through the end of June. This budget will specifically allow maintenance level spending at current-year levels, but will not address new projects or other new funding. We will then ask the membership to consider a budget for the entire year at the July 4 meeting.

The board hopes that this approach will allow the club to continue to function during the current pandemic situation, while also ensuring the full membership retains appropriate decision-making authority over overall club finances.

Also, at the July meeting we will be proposing a change to the bylaws. Please find attached the proposed bylaw change.

If you have any questions or concerns with this approach, please do not hesitate to contact me by phone at 360-302-0714 or by email at kekinser@mac.com. The CCC board will continue to meet on the second Saturday of each month as usual and CCC members, as always, are welcome to attend. You may also find Board meeting minutes and agendas on our website at <https://coylecommunityclub.wordpress.com>.

Thank you for your flexibility as we work to manage club affairs during these exceptional times.

Sincerely,

Kimberly Kinser,

President, CCC Board of Directors
