

# Coyle Community Club Dock Rules

## Version: April 3, 2022

1. A current, paid Dock Membership, as differentiated from Club Membership, shall accord the following privileges as governed in these regulations:

- A. Launching and moorage rights
- B. Guest sponsorship rights

These rights shall extend to all people in the household of a Dock Member. All other individuals must be accompanied by the Dock Member or have a guest boat moorage pass.

2. Dock Membership fees are due January 1st of each year. There shall be no proration of fees if paid later in the calendar year. Boats moored without a Dock Membership are considered unauthorized.

3. Dock Membership includes one Coyle Community Club boat decal. A second boat decal for a boat fourteen (14) feet or less may also be purchased by the Dock Member.

4. All Dock Member vessels mooring at the marina must have a current boat decal affixed in a location clearly visible from the dock.

5. Dock moorage is limited to one boat per Dock Membership, except that a second boat with a boat decal that is fourteen (14) feet or less is allowed when the dock is not more than 75% full.

6. All boats of fourteen (14) feet or less, and kayaks and canoes, should be moored on the inside of the dock, which is the side that is closest to the parking lot, when there are inside spaces available.

7. Guests of a Dock Member can launch or moor a boat at the marina. Guests mooring at the dock must display a Guest Pass affixed to their boat. The Guest Pass is a note, enclosed in a plastic bag, with the date, the name of the Guest, the mobile phone number of the Guest, and the name and Lot Number of the Dock Member. Guest Passes may be used by any single guest for a maximum of seven (7) days in a calendar year.

8. Maximum boat length is twenty-six (26) feet. Boat length is equivalent to the Overall length as defined by the Washington Administrative Code, 308-93-010(21):

“Overall length means a straight-line measurement of the overall distance from the foremost point of the vessel to the aftermost part of the vessel, measured parallel to the centerline. Bowsprits, bumpkins or boomkins, rudders, outboard motor brackets, outdrive units, propellers, and similar fittings or attachments are not included in the measurement.”

Boat length should not exceed twenty-six (26) feet, as physically measured in feet and inches, not as specified on the state vessel registration.

9. The ramp to the dock is not to be used as a moorage tie up for boats and is only for launching or loading purposes.

10. No live-aboard moorage is allowed.

11. There are no reserved or dedicated slips.

12. No boats, dinghies, or other Dock Member belongings are to be left on top of the dock or finger piers.

13. Dumping of clam or oyster shells, or any other debris, from the dock, or ramp, or on Birch Street is prohibited.
14. The Board shall, provide and attach all cleats and bumpers to the dock. No other constructions may be attached to or made upon the dock without board approval.
15. There shall be no commercially licensed boats, or other commercial activity, allowed to use the dock except as required by law or treaty.
16. The gate at the top of the boat launch ramp and the pedestrian gate is to be kept closed. Each Dock Member key fob will opens all gates. Club Members key fobs will open the pedestrian gate only.
17. Non-compliance with these Rules may result in Dock Membership being suspended by a majority vote of the Executive Board for such a length of time as the Board deems sufficient. Appeals of a Board imposed Rules suspension may not be made more frequently than once per calendar year.
18. Dock Membership Fees are:
  - A. Dock Membership: \$225 (two hundred and twenty five)
  - B. Additional Boat Decals: \$10 (ten) per decal
  - C. Replacement / Additional Key Fob: \$75 (seventy five)
19. All vessels moored at the Club's dock must comply with the following standards:
  - A. must not be allowed to accumulate long-term growth of marine organisms on its hull
  - B. must be securely moored to the dock with adequate lines
  - C. must not emit a gasoline odor or create an oil sheen on the water
  - D. must not be allowed to fill with water to a degree that it shows any potential to sink, damage the dock, or damage another vessel
20. At least once per quarter, the Board shall physically inspect the dock and all moored vessels for compliance with these Rules.
21. For any vessels not in compliance with these Rules, the President of the Board shall notify the vessel owner of the lack of compliance, the remedy requested by the Board, and the timeline under which remediation should be completed (the "Remediation Period").
22. If the Remediation Period passes without the offending conditions being remedied, the Board may suspend the vessel owner's Dock Membership and require that the owner remove the now unauthorized vessel from moorage.
23. There shall be no refund, in part or in full, of the Dock Fees for any Member whose Dock Privileges have been suspended.
24. The Board may, at its discretion, reinstate the Dock Membership of any Member suspended due to vessel conditions once the offending vessel conditions are remedied.
25. For any unauthorized vessel, the Board may elect to take any action available to it including those under the Revised Code of Washington, Derelict Vessels (RCW 79.100), or the Revised Code of Washington, Private Moorage Facilities (RCW 79.100). Actions available under these code sections include reporting the vessel to the Washington State Department of Natural Resourced Derelict Vessel Removal Program, and / or removing the vessel from Club moorage at the expense of the vessel owner.
